

AUTO & TRAKTOR

— MUSEUM BODENSEE —

Show rides and demonstrations several times a day!

11 – 12 October 2025

Steam and hot-bulb show

Historical machines in action

Experience the history of technology up close!

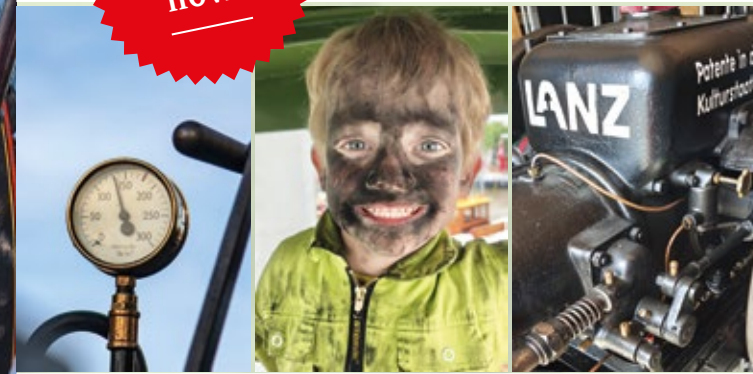

Immerse yourself in the fascinating world of technology pioneers and get inspired by steam, fire and the sounds of times gone by!

Historical machines come to life in our spectacular steam and hot-bulb show. Mighty steam engines and legendary hot-bulb engines show their impressive power and mechanics in action.

An exciting experience for the whole family – marvel, discover and enjoy!

Register now!

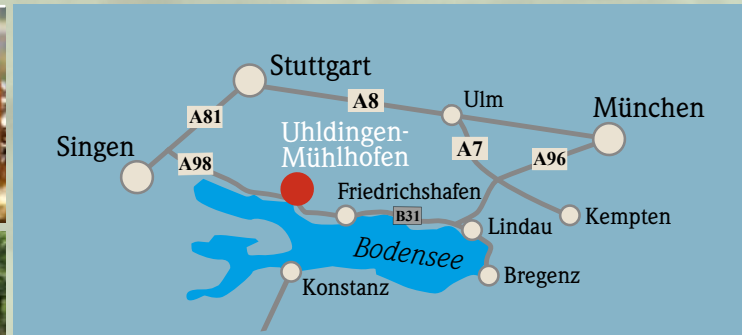

Steam and hot-bulb show:

- > Saturday, 11/10/2025, 10h till 17h
- > Sunday, 12/10/2025, 10h till 15 h

Admission is EUR 8.00 per person (children up to and including 15 years are free).

A unique concert of hissing, stamping and roaring!
